

November 15, 2013

Thank you for participating in the Parks & People Foundation's Gwynns Falls Field Trip Program professional development. We hope that you found the training valuable for gaining the skills and knowledge to implement outdoor an environmental education experiences and lessons with you students. The Teacher's Handbook and teacher's toolkit you received during the training provides lessons and resources for implementing the concepts covered in the training session on November 9, 2013.

Parks & People is providing a stipend of \$22.50 per hour for attending the workshop. Please fill in the information below, including your signature and mailing address, so that we may send you a check.

I, (please print your name) WILLY HERRERA
attended the workshop that occurred during the date above.

November 12, 2013

Thank you for participating in the Parks & People Foundation's Schoolyard Habitat & Education program. We hope that you found the training valuable for gaining the skills and knowledge to use your green schoolyard as an outdoor classroom. The Teacher's Handbook and teacher's toolkit you received during the training provides lessons and resources for implementing the concepts covered in the three training sessions on November 5, November 6, and November 7, 2013.

Parks & People is providing a stipend of \$22.50 per hour for attending the workshops. Please fill in the information below, including your signature and mailing address, so that we may send you a check.

I, (please print your name) WILLY HERRERA
attended all three workshops that occurred during the dates above.
